Prestige Club News

Proudly Serving Our Communities

Dear Prestige Club Friends,

The air feels like Fall weather this morning! Summer is going too fast and the colors of autumn will soon be here! The schools are back in session, so be aware of crosswalks and school buses. The Club activities of the past few months created wonderful memories! The Prestige Club members experienced a two day trip to Ft. Leavenworth, KS in June. We received special attention at the Army Base and spent the night at Hoge Barricks! Lots of fun, history and vintage homes in the area. Good trip! At our monthly meeting in July we supported the 4-H Organization and the youth of our community. Then at our August meeting the members enjoyed the local musical entertainment. Mark your calendars and join the fun! We will soon be traveling with our group to NW Oregon for a Pacific Coast journey to experience the Columbia River Gorge, majestic Mount Hood National Forest and much more! In the rush of life, it is easy to forget how we fuel each other, so stay connected by joining the Prestige Club activities. We care about you our customers.

Keep smiling...

Lois
